SUDAN Mahdi Revolt

After the death of the Mahdi, his successor Khalifa Abdulah continued to strike dollars at Omdurman. The first issue was of good silver, later of base silver and finally of silvered copper. According Num. Chron. 1902, the silver coins were already rare in 1891 and got even rarer, when they were later collected and melted down in London. They are not listed in Raym. and with one exception not in Yeom.
